What dates are eligible for a community night?

Can we do more than one community night?

How much money is generally raised?

How can we get the word out to motivate our supporters and raise money?

How can we schedule a community night?

community days

PURE FUN-
RAISING!

Maximum FX is committed to supporting non-profits. We think we have come up with a great way to support your fundraising efforts.

Whatever your cause - raising money for musical instruments, homeless shelters, schools or cancer research - **we can help.**

Pick a day for your organization, and we will donate up to 20% of **our sales** from your supporters who come in and receive services from us.

This is a great way to help local organizations raise funds, and - it's fun!

Any non-profit organization (501 C-3) or an established group or organization that is working to make our community a better place. We cannot make donation checks out to individuals.

Generally we schedule one a month - usually on Tuesday or Wednesday.

It's possible - it depends on the time of year. We will need to discuss this more.

It depends on how well your organization can get the word out and motivate your supporters. Our donations usually range from \$600 to \$1,700 per event.

We suggest:

- 1) Emailing your supporters
- 2) Post it on your Facebook Page
- 3) Announce it on your web site
- 4) Include it on your blog and/or newsletters

Sample Copy: **Help Us Raise Money** - Just by going to the salon! MFX is donating up to 20% of their sales to [name of organization] on Wednesday, [date]. Save the date! Tell your friends!

Just fax, email or drop off a written description of your organization and what you do. Also include the date you prefer.
